An interesting gift to the Museum recently is a handbill of a home talent play given by the G. A. R. entitled "Union Sergeant or the Battle of Gettysburg," in 1882. The long list of names of those participating is of value even at the end of 26 years and will be more suggestive as the years go on.

Bradstreet's weekly trade report says: "The fair at St. Johnsbury during the past week brought a good many people into town, which was of advantage to general retail business in a small way. General retail trade reported but little changed from conditions in the early part of the month, although the outlook for fall business is fairly good."

Boy Saved by Autos Colliding.

The only accident of the Caledonia county fair occurred Thursday morning when a boy's life was probably saved by one automobile being deliberately driven into another. Just as George Wright had passed French & Bean's wholesale house in his auto carrying a good load of passengers to the fair, a small boy ran across the road directly in front of his machine. He could not stop his machine and to save the boy's life he turned his machine quarter round and ran into Howard Blossom's machine. Mr. Blossom's car was coming back from the fair empty and as he saw the boy first he slowed down and received the full effect of the collision. Mr. Wright's damage was about \$100 and Mr. Blossom had to put \$25 into repairs and both lost considerable trade in transporting passengers to the fair. Mr. Blossom attaches no blame to Mr. Wright for the collision and the latter deserves great praise for his presence of mind in deliberately injuring his machine to save the boy's life. The boy escaped unhurt and none of the passengers in Wright's car were injured.

Opening of New Music Hall.

"Strongheart," William C. DeMille's play of "Varsity life," will be presented on Friday, Sept. 25, at the New Music Hall. It has received some of the strongest endorsements that have been vouchsafed any comedy-drama of recent years, no matter of what character. Among them was the review of Mr. W. L. Hubbard, the dramatic editor of the Chicago Tribune, who had the following to say concerning the merit of the play:

"Strongheart" itself is a play of worth, being entitled, in fact, to a place among the best that any of our American writers have supplied. It tells, and interestingly, a story, it deals with a problem, and does so honestly, logically, and convincingly, and it contains such a liberal supply of college life, excitement and spirit that the attractive form of bright comedy is given to a play which, in fact, has a serious question of race as its fundamental idea. It is a play which every amusement-seeker cannot but enjoy, and it is one that calls for nothing other than unqualified approval."

Mr. Hubbard's views of the drama have been expressed in different form from one end of the country to the other in the past three years, and "Strongheart" has become entrenched in the minds of playgoers so firmly that it is safe to say it will last through at least another generation.

Success for Brightlook Hospital.

Last Wednesday was a day of success for Brightlook Hospital as well as for the county fair. The several thousand tags with which the town and its people were blazoned netted, after deduction of printing and other slight expenses, a trifle over \$600. This sum in itself, and the generous interest of the public thereby demonstrated, are alike most gratifying.

The Hospital lunch counter, maintained throughout the fair, received a total of \$229, which deducting \$40 for rent of space in Floral Hall means \$189 for the Hospital. Apparently the public appetite was not so keen as last year, but a large number of people demonstrated their appreciation of home cooking by patronizing the ladies who were working in the interest of the Hospital. From these two sources however the Hospital now has nearly \$800 with which to make certain necessary additions to its equipment—additions which in the long run will pay for themselves in operating economy. The ladies in charge are very grateful to all who gave food, material, time and thought contributing to this double success.

It may be of general interest to know that the Hospital management expects soon to distribute some printed information regarding Brightlook, intended not as solicitation, but to answer widespread inquiries and afford a clear understanding of the requirements and beneficent work of the Hospital.

A Distinguished Mason.

The proceedings of the Grand Lodge of Free and Accepted Masons of Vermont are just issued and have as their frontispiece an excellent likeness of Charles A. Calderwood, the retiring Grand Master. Mr. Calderwood is the first in the state that has been elected to preside over all the Masonic Grand bodies in Vermont. He began in Masonry with Caspian Lake lodge in Greensboro June 28, 1871, joining Passumpsic lodge in this place in 1878. He was Worshipful Master of this lodge in 1887-1889. He entered the Grand Lodge in 1890 and was its Grand Master in 1906 and 1907.

He became a Royal Arch Mason in Haswell Chapter, No. 11, of this place in 1876 and was its High Priest from 1890 to 1892. He worked up through the Grand Chapter and was Grand High Priest in 1899, declining a re-election the following year.

He entered Caledonia Council, No. 13, in 1883, was Three Illustrious Master of this lodge from 1888 until 1890, and

elected Grand Master of the Grand Council in 1898, serving one term. He was knighted in Palestine Commandery, No. 5, Knights Templar, April 7, 1885, was Eminent Commander in 1895 and 1896 and Grand Commander of Vermont in 1905.

He received the degrees of the Ancient and Accepted Scottish Rite in the lodges at St. Johnsbury and Burlington, was for several years Thrice Potent Master of Mizpah Lodge of Perfection in this place; was crowned an honorary member of the Supreme Council, 33d degree, Northern Masonic jurisdiction in 1904, and is now Grand Prior of the Vermont Council of Deliberation. He was also one of the founders of the Vermont Veterans' Association, having been its treasurer since its organization in 1892.

His two oldest sons, Charles Sherman Calderwood of this place and Clarence Roy of Albany, N. Y., are Masons, and steadily climbing the ladder towards the summit reached by their father.

The Westland Quartette.

The Bostonia Quartette of Boston composed of May Belle Grace Dadinun, first soprano, Emma Schulteldt Moore, second soprano, Alice Gertrude Coe, first alto, Dorothy McTaggart Miller, second alto, is now known as The Westland Quartette, and this, their first season has been a very successful one. Among their many summer engagements have been long ones at the Isle of Shoals, and at the Universalist meetings at Ferry Beach. The personnel of this quartette is an unusually strong one. Each member is a soloist of established reputation, and while each voice possesses a distinct individual quality the perfect blending in ensemble work brings before the public a combination of women's voices which is seldom equaled. They furnish an entire program or may be engaged with assisting artists.
